

# Northern Illinois Science Educators

Founder's Scholarship

## NISE '23-'24 Scholarships

Students are our Future

Director's Scholarship

Calling all high school teachers! Everyday, you teach the young people who will become our future scientists, engineers, and science educators. The members of the NISE Board of Directors would like to award scholarships to YOUR best and brightest students as they plan for their future and become the future leaders in STEM!

### NISE Director's Scholarship - \$750

The NISE Director's Scholarship is a merit based scholarship to be awarded to one HS senior who is entering a certified science education program in the Fall of '24:

- Student must be a senior (17+ years old) enrolled in a public or private school in Cook, Lake, DuPage, Kane, or Will county.
- Student must have completed at least 3 years of high school science and/or dual credit courses.
- Student must plan to enter a science education program in Fall 2024, with plans to earn their science teaching license (elementary, middle, or high school).

### NISE Founder's Scholarship - \$750 x 2

The NISE Founder's Scholarships are merit based scholarships to be awarded to two (2) HS seniors who are entering a degree program in a STEM related field in the Fall of '24:

- Student must be a senior (17+ years old) enrolled in a public or private school in Cook, Lake, DuPage, Kane, or Will county.
- Student must have completed at least 3 years of HS math AND 3 years of HS science and/or dual credit courses.
- Student must have completed at least one STEM based extracurricular activity (e.g. Science Olympiad, Mathletes, Science Club, FIRST Robotics, Computer Club, summer STEM activity, etc.). Student must plan to enter a college level STEM related degree program in Fall 2024.

Applications are open and will close April 1st. More information will be available on our website: <http://www.nise.us>

Students looking to be notified when the application is made available can send an email to our scholarship team:
